

Prima Double Bar

Principally used for Multi Use Games Areas (MUGA).
Can also be installed as a security fence where a high fence up to 6m is required using a combination of panel heights.

Conforms to BS 1722-14
Additional certification to LPS 1175
SRI

- Heights: 630mm - 2.43m high to make up the required height.
- Panels: Single vertical wire (6mm or 5mm) and twin horizontal wire (6mm or 8mm) to give a 200x50/55mm mesh pattern. Additional twin horizontal wires can be added to act as a rebound panel for basketball and football courts.
- Posts: RHS 60x40mm - 120x60mm depending on fence height set at 2.52m centres with either clips (boundary use) or a full length clamp bar and threaded inserts.
- Fixings M8 anti-tamper galvanised security bolts.
- Finish: Post and clamp bar, galvanised to BS EN 1461 and/or polyester powder coated. Panels pre-galvanised and polyester powder coated to any RAL or BS colour.
