

Prima Railings

The traditional appearance makes this style of fence popular in schools, parks, government buildings and industrial premises. Made to measure or off the shelf.

Conforms to BS 1722-9

- Heights: 600mm - 2.7m high.
- Panels: Solid steel bars or hollow section, manufactured from either round or square bar flat top, mitred, bow topped or surmounted with finials (see website for options).
- Rails: Solid such as 50x10mm or RHS such as 60x40mm or hollow section channel.
- Posts: CHS, RHS or RSJs, post centres depending on fence height, posts generally 2.5m or 2.75m centres.
- Fixings: Galvanised bolts and shear nuts with loose cleats.
- Finish: Primed and painted, galvanised to BS EN 1461 and polyester powder coated to any RAL or BS colour.
